## About The Band

### ***Creating A Lasting Memory!***

The Classics create a highly memorable experience for your audience with their high energy show featuring outstanding instrumental and vocal talent, audience interaction & participation, and a repertoire consisting of a wide variety of music from spanning over five decades.

### ***More Fun Than Humans Should Be Allowed!***

The Classics will captivate and entertain your audience with their exclusive style of audience interaction and participation. Everyone has a great time as the audience actually becomes a part of the show. It has become their trademark and audiences just can't seem to get enough of it!

### ***The Classics Really Work Together To Deliver The Goods!***

Six multi-talented performers with outstanding instrumental and vocal talent work together as a team. The Classics are a "Band" not an assembly of available on-call musicians. There is an obvious chemistry that shines through at every performance. They are experienced and dedicated performers that are sure to make a connection with every audience.

### ***The Perfect Entertainment Choice For Your Next Special Event!***

The Classics are a number one entertainment choice for casinos and ballrooms. They are also a family entertainment favorite for fairs, festivals and community events. And they're always a huge hit at corporate events and private celebrations.
